## From the Rector's Desk

Dear Parishioners,

Forgive me if this story is one you have often heard repeated but I think there could be a moral there worth considering!

A police recruit's response to a problem set in a training exam read as follows:-

You are on the beat and you see two dogs fighting. The dogs knock a baby out of its pram causing a car to swerve off the road and smash into a grocer's shop. A pedestrian is seriously injured, but, during the confusion a woman's bag is snatched. A crowd of onlookers chase after the thief and, in a huge building up of traffic, the ambulance is blocked from getting to the victim of the crash. State, in order of priority, your course of action?

The immediate response from the recruit, 'Take off my uniform and mingle with the crowd!'

Jesus was never afraid to stand out from the crowd and challenge systems and traditions which he felt had lost their focus or had become so legalistic that they were nothing more than rules and regulations. There is a place for rules, regulations, tradition and structure but the danger is that they can so often become substitutes for the real essence and core of what they are meant to represent. Real growth only takes place when we are willing to face challenge, and challenge carries with it the real possibility of the need for change. We need to be in a state of continually assessing what we do, why we do it and what would Jesus do or want us to do in the various situations we find ourselves in.

Perhaps in an uncertain world we learn more of what it means to really trust in God even when our world, like the recruit's, seems out of control! The little poem says a lot in a few words:-

Said the robin to the sparrow  
I would really like to know  
why those anxious human beings  
rush about and worry so?

Said the sparrow to the robin  
'Friend, I think that it must be  
that they have no Heavenly Father  
such as cares for you and me!'

God Bless,  
*William*

## YOUTH CLUB TRIP

## LASER TAG

On the 6<sup>th</sup> of April, some people from the youth club went on a trip to Rathdrum. Two cars set off to laser tag. When we got there we first went on bumper boats on a lake, while Andy and his friend, who owned the place, set up the laser tag.

As we approached the field we were shocked at how big the field was. The rules were explained to us and that, to get eliminated, you needed to get 'shot at' a number of times. We were all given guns and a strap to wear on our heads. The object of the game was to 'shoot' people where the target was on their head. Laser beams were used instead of real bullets.

We split up into two teams which included Andy, Mr. Bennett and the owner of the laser tag. We played Capture the Flag and Last Man Standing. Throughout the hour we had great fun 'killing' each other and watching Mr. Bennett falling on his face while capturing the flag and Andy getting 'killed' within the first 2 minutes. There was only a small group of us, Jordan Grant Roe, Cormac Shannon, Sam Molloy, Robert Norse, Jenny Massy and myself. It was a brilliant day out and really got the adrenaline pumping! I'm sure we would all agree that another trip there would be great craic!

## Holy Baptism at Newcastle

21<sup>st</sup> April: Eoghan Byrne, son of Jonathan and Lorraine, Church Lane, Newcastle. We are very happy to congratulate Jonathan and Lorraine and hope that Eoghan will grow to love and serve God in whose name he is baptised, but are very sorry to be saying goodbye to them and their children as they move to the London area. Lorraine has been a valued Sunday School teacher and superintendent as well as organising our children's summer club/camp. She was also an active member of the parents and tots group. We wish them God's blessing and every happiness in their new home and work.

# Clubs and Organisations

## Bowls

The season for indoor bowls is winding down but several of the Club matches remain to be played. Any member who is aware that they have unplayed matches to complete would be advised to contact their opponents and arrange to get them played as soon as possible. The club aims to finish by the end of May.

There was a good turnout for the Millennium Cup which we hosted on 13<sup>th</sup> April. The winners were Newtown with Aughrim as the runners up. In spite of some very promising newcomers who joined us this year, Newcastle didn't feature in the results this time but we hope for better results next year as the newer members gain experience.

The new Season will commence in early September as usual.

## Table Tennis

Table tennis continues every Monday evening from 8pm in the McLean Room (behind St Matthew's Church in Newtownmountkennedy). There is a growing number taking part and new members are always welcome. Information from Heather at 087-9422172

## Junior Table Tennis

If you are of secondary school age, and would be interested in playing table tennis on a Monday evening from 7-8pm please let the Rector know. If there are enough players the junior section of the club will go ahead. In that case, needless to say, a rota of adult supervision will have to be put in place, so if you would be willing to take a turn on the rota please put your name forward.

## Walking Club

A small group braved the drizzly weather on Wednesday 24th April for the inaugural meeting of the club, and ended up having a very pleasant walk up the Church Lane. Future walks on Wednesdays.

## Creche

The crèche is available in Rectory Cottage during all morning services in Newcastle Church. All pre-schoolers are welcome and parents can stay with their child or pop over during the service if they wish. Two volunteer parents supervise each week.

## Sunday School

Everyone at Sunday School sends Lorraine and her family every good wish for the future as they start their new life in the UK.

This month there will be Sunday School at Newcastle on Sundays 19<sup>th</sup> and 26<sup>th</sup> May. As usual children will leave with the teachers after the first hymn.

## Mothers Union

On a recent outing to see ‘Calendar Girls’ in the Mermaid Theatre in Bray, some of us came across the Greystones branch of the Mothers Union having a great night out. It prompted us to wonder about reviving our parish branch. By coincidence, the President of the Mothers Union in the Dublin/ Glendalough diocese was giving a workshop at the Faith in Action Conference and would be more than willing to visit us to help set up. For everyone’s information, the Mothers Union has moved with the times. It now takes men and non-mothers and is interested in all types of families—not just the traditional nuclear family. It really needs a new name! Interested persons contact Karen.

**Select Vestry Meeting  
on Wednesday  
1<sup>st</sup> May at 8pm  
in the McLean Room**

## Time Out

Time Out continues for the month of May in Rectory Cottage on Tuesdays from 8.30pm. All welcome.

# CALARY NEWS

## **Easter Vestry**

Calary's Easter Vestry was held on Thursday 11 April. William went through a review of the year and thanked all of those who had assisted in any way during the year, including the churchwardens, organists, those who cleaned the church and made it look so well for services. This was followed by election of Select Vestry.

Discussions then took place on the Arts Festival in October, the events that have been arranged for Music in Calary and the next parish social event. Thanks is also due to those ladies who provided tea on the night of the meeting.

## **Calary Supper**

A thanks to all of those who served up such a wonderful feast to the 50 people who attended the supper on Friday 19 April. The church room was full to capacity and thank you to all of our friends from Newcastle, Newtownmount-kennedy and our neighbours who supported this fund raising event

## **Parish Barbeque**

We are planning a BBQ on 29<sup>th</sup> June for the parish and hope to have a plant stall for Fields of Life to top up the funds. Gardeners, please pot up some plants for the stall.

## The Korean Cross Returns to Korea

Canon Bob Jennings, together with over 200 veterans from Ireland, England, and the Commonwealth, returned to Korea at the end of April to remember the 60th anniversary of the Armistice.

As he appears to be the only surviving Irish army chaplain of the Korean War, he has been asked to conduct six services including the dedication of a war memorial to Irish soldiers and civilians who were killed during the war. Others include memorial services at United Nations and Commonwealth war cemeteries. Anzac Day for New Zealanders and Australians, and Imjin Battlefield service for Royal Ulster Rifles.

Canon Bob brought with him the Korean Cross from Newcastle Church and used it at all the Services. It had been fashioned from shell cases used in the Korean War. It was a fitting symbol of the Prophet Micah's promise of turning "swords into plough shares and spears into pruning hooks" - a weapon of war but now a symbol of peace and reconciliation.

Three and a quarter million soldiers and civilians from all sides lost their lives in the largely forgotten Korean War 1951—1953. Many young men from the Irish Republic served in the United Nations Korean War, not only in Irish Regiments, but also in British and Commonwealth Regiments.

## **Faith in Action Conference**

The Rector, Karen Reynolds and Derek Neilson attended the Faith in Action Conference organised by the Diocesan Social Action Committee, and held on Saturday 20<sup>th</sup> April in the Church of Ireland College of Education in Rathmines. It was both a challenging and inspirational day.

There were three speakers in the morning session. Father Peter McVerry spoke about his work with the homeless over the last 40 years. His passion for justice for those who not only have no material possessions, but also have no one to care about them, was evident in the stories he told to illustrate their plight.

Alice Leahy spoke about her work with Trust, which is an organisation which also works with the homeless, ensuring that hundreds have a daily meal and somewhere to wash and receive basic medical care.

Lastly, Rev Olive Donoghue from the Stradbally Union of Parishes spoke about the links she and her parish have forged with charities and how she went about initiating these links. Her talk could only be described as hilarious while, at the same time, getting her point across very effectively.

In the afternoon everyone was assigned two workshops covering various topics such as Dealing with Debt, Online Bullying, Creating Links between Parish and Disadvantaged Communities, Educational Disadvantage, Positive Mental Health, Healthy Eating on a Budget, and Engaging with New Communities. Most of these workshops were covered between the three representatives. The workshops were a mix of information, discussion and an opportunity to ask questions.

All in all, the day very definitely produced food for thought about the role of our church in a world where so many are suffering and deprived.

## *Jesus is Alive Maze*

Early Easter morning, Mary Magdalene visited Jesus' tomb. The stone had been rolled away, and Jesus was not in the tomb. She was very sad because she thought someone had taken Jesus' body.

Then Mary saw a man she thought was the gardener. She was so happy to see the man was Jesus! She ran to tell the disciples Jesus was alive.

Help Mary find her way to Jesus tomb.
