## From the Rector's Desk

Dear Parishioners,

The changing colours of Autumn remind us that Summer is well over and we are in the fast lane to Christmas. This year has been a very busy one in the life of the parishes but has been an exciting and challenging one. As I write, the scaffolding is being erected against the tower of Calary Church. Work, which will take about a month to complete, begins on the repair of the roof of the tower which has been in an increasing state of deterioration for a number of years. Various events have been organised by the Calary parishioners to raise the necessary funds enabling them complete the job. Their efforts have paid off and the work begins!

The Parish Centre at Newcastle is in a state of increasing busyness. Programmes cater for people from the toddler stage right up to the most senior and for the very, or perhaps not so, energetic a group fitness class is a weekly regular.

Please use PINS to see a full list of events and feel welcome to pop in to any you might be interested in.

We could easily get carried away with the business of building/repairing/running programmes and ensuring people of all ages and tastes have something that interests them within the weekly parish programme. Social events and various activities may be wonderful but we must not lose sight of our main aim and calling as God's family. The shorter catechism in the Presbyterian Church states that 'man's chief end is to glorify God and to enjoy him forever'. How can we glorify God? I think only by doing his will. We can only enjoy doing what someone wants when we have a meaningful relationship with that person.

Our chief aim in each parish must be first to do God's will, to show his love, to be a welcoming community, to sacrifice ourselves for his will and to serve him in the power of his spirit.

May God bless us all that we would be a community hearing him in this needy world.

God Bless,  
William

## Thank You

The parish's wonderful gesture in presenting me with a beautiful cut glass decanter with a very touching inscription at the official opening of the Parish Centre was very much appreciated. It's been a great pleasure for me, in company with others, to accommodate the upgrading of our super parish into a new era. I shall always treasure your kind gift.

Good Health,  
Mervyn

## Bishops' Appeal Acting as Conduit for Funds in Battle Against Ebola

---

During the early days of the outbreak of Ebola, Bishops' Appeal released €5,000 to support the efforts of the Leprosy Mission and local partners in Liberia and Guinea to provide protective equipment for hospital staff responding to the virus. To date, an alarming percentage of the victims have been health workers. A protective suit costs €5.

Bishops' Appeal is now acting as a conduit for funds that will be directed to safeguarding frontline health workers in Liberia, Guinea and Sierra Leone through the provision of protective equipment. Individuals, parishes and dioceses are invited to respond by sending donations to Bishops' Appeal, Church of Ireland House, Rathmines, Dublin 6.

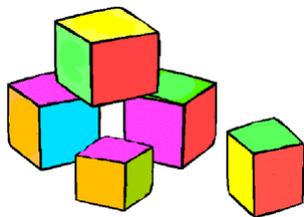

# Clubs and Organisations

## Junior Choir

The Junior Choir wowed us all again at the Family Service in October. Their rendition of Bach's Jesu Joy of Man's Desiring and Pachelbe's Canon: Sanctus was remarked on by just about everyone there. We're looking forward to hearing what they sing at the Family Service in November.

## Creche

The crèche is open during morning services in

Newcastle Church. Drop your pre-schoolers in to the Parish Centre where a rota of parents supervise the little ones while they play with a roomful of toys.

Please support the crèche by volunteering for the rota and by encouraging other parents to use it.

## Drama Group

The drama group has begun rehearsals for a production of a play entitled 'A Tinkly Christmas'. This will be staged mid-December, and is a gentle murder/comedy set at Christmas.

## Parents and Toddlers

The Parents and Tots group meets on Monday mornings from 10.30am in the Parish Centre. If you have a little one, drop in for play and a chat with tea and toast. No Parents and Tots on Bank Holiday Monday 27th October.

## **Pipers Union**

At a sell-out concert in the Church on Saturday 11 October, The Pipers Union, made up of Donal Clancy (guitar), David Power (uilleann pipes) and Ciaran Somers (flute and uilleann pipes) captivated the audience with their wonderful music.

Beforehand, some of the audience had booked for a fork supper, held in the church room. The event was in aid of fundraising for a rehabilitation centre in Mukuru, Nairobi which is run by Sister Mary Killeen, whom Calary has supported for a number of years. Sister Mary's brother Jerry and his wife, Helen, were able to attend and a message from Sister Mary was read out before the concert started.

The concert and supper were run in conjunction with Paula Cullen, a long time supporter of Sister Mary, who, with her husband Frank was leaving to

visit Mukuru two days after the concert. A big thank you to all who helped on the night, to Paula for her assistance in the organising, the Pipers Union who played so beautifully and to the audience who made it such a successful event.

## **Bell Tower**

Renovation work has this week started on the Bell Tower. This may result in some upheaval, but it will be kept to a minimum. An update of how the work is progressing will appear in December's PINS.

## **Table Tennis**

Table tennis will continue each Thursday at 8pm in the Church Room.

## **Sunday School**

Sunday School continues each Sunday except when there is Family Service.

This year it will take place on  
Tuesday 2nd December and will  
incorporate the old favourites—
