CALARY NEWS

HARVEST SERVICE

It is still hoped to hold the Calary Harvest Service at 3 pm on Sunday 11 October. The holding of this event and the numbers allowed will be dependant on the Covid 19 recommendations prevailing at the time and, possibly the weather. As the situation may change close to the time, we suggest that you keep up to date by viewing the Calary Facebook page or phone Claire Chambers (01) 2818187 or Derek Neilson 086 8319457

SISTER MARY KILLEEN'S WORK IN MUKURU, KENYA

The chance of our annual fundraiser taking place this year for Sister Mary's work is extremely slim but Claire Chambers had already planned to do a sponsored skydive for the Rehab centre for street boys in Mukuru. This was to mark her 80th birthday at Easter but it was frustrated by CoVid19. It was rescheduled for 12 September, but again couldn't take place as folks of her vintage have to behave and be sensible up to 13 September. The next available date for the skydive is 17 October, CoVid and weather willing. Let's hope it's third time lucky!! More details from the Calary Facebook page or phone Claire Chambers (01) 2818187 or Derek Neilson 086 8319457.
