From the Desk of the Rector

Dear Parishioners,

After a long wait, serious negotiations, numerous meetings, detailed discussions and all that goes with striking a hard deal, members of the Select Vestry of Newcastle and St. Matthews are delighted to announce the signing of the contract for the, long awaited, Parish Development.

Kelly Contractors from Castlecomer, Co Kilkenny have been favoured with the contract. We feel very confident that excellent builders have been chosen and the first machines will probably be on site this month (September). The first stage will be the new Rectory, and then the real reason for engaging in this work is the adapting and building on to the present Rectory to provide a Parish Centre which will serve the parish for many years to come and which we will all be proud of.

Many possible alternatives were discussed and plans were drawn up for parish halls on an alternative site. Also, serious thought was given to building at the cottage. The county planners were not happy with what was presented to them, mainly because of the sensitive nature of this area and being so close to the Castle. They indicated to us that they might allow us to build the Centre on the Glebe Land but it was felt that it would be too far from the Church and School. Finally, having exhausted other possibilities, we were forced into taking what may be the slightly more expensive route, but in the long term will best serve the needs of the parish. It will be very good to have our Parish Centre close to both Church and School.

This new Parish Centre will provide facilities for every age group and will enable us to develop and serve the community in ways not possible until now.

We invite you to celebrate this new major adventure in the life of our parish with a Harvest Fair, as part of the Harvest Thanksgiving Weekend, Sept 30 - Oct 2. Read more about the plans in this issue of PINS. Please do join us over the weekend and take part in the festivities to mark this new step in our parish life..

God Bless,
William

Christian Aid East Africa Appeal

I have sent a total of €2642-12 to Christian Aid for the famine appeal in East Africa being the combined proceeds of the special collections and coffee morning at Mervyn and Ann Garrett's home. It says a lot about our Parish that so much has been raised for those who have absolutely nothing, in a time of austerity in our own country.

In a letter I received from Christian Aid thanking the Parish for their gifts, Margaret Boden (CEO) says "Christian Aid will fund urgently needed life saving measures, such as the construction of additional water points and helping communities become more resilient to future crises. In addition we are providing extra nutrition to children and pregnant women (those most vulnerable); emergency tanks of water to villages experiencing the worst drought conditions; food for families that aren't being reached by the World Food Programme, and animal feed to protect the livestock that are so crucial for the survival of pastoralists in the area".

Tuesday Club

We will resume after our August break on **Tuesday 13th.September** in the McLean Room at the back of St.Matthews Church, 2.30pm as usual, when we will be glad to see all our old members and hopefully welcome some new ones too. We are planning to have a miscellany of board games for a change and so that people can catch up on the chat – nothing serious!

On October 11th, we are expecting the Public Health Nurse to come and give us her tips on remaining healthy while in November we hope to take an outing which we will tell you about later. December will be the customary Christmas Party. Should anyone like to put forward suggestions for the programme after the New Year they will be most welcome.

Parish Choir

Choir practices for Harvest will start up again in Newcastle Church at 8pm on Monday September 5th. New singers will be especially welcome. Harvest Sunday on October 2nd is also St. Francis day so we will sing the hymn – All creatures of our God and King – which is based on the Canticle of the Sun by St Francis of Assisi which is represented in the door of the church. The choir will sing a short anthem by the 19th century American composer Thomas Hastings – Let the people praise Thee. Hastings was a prolific composer of hymn tunes. We will also sing the *Jubilate* by S.S. Wesley. Samuel Sebastian Wesley was the grandson of Charles Wesley, the hymn writer. He was probably the best English composer of music for the Anglican church in the 19th century and was known as one of the leading organists and choirmasters of his day. *Andy Sleeman*
